

CSK Mission Statement

The mission of the Christian School of Kingwood is to provide a Christ-centered environment that is committed to academic and spiritual excellence. The school climate will be safe, orderly, and supportive for students, staff, and parents who are partners in learning. We believe that students should have the ability to meet the challenges of the world around them with self confidence and integrity, armed with the knowledge that God created each with a special purpose. The Christian School of Kingwood will provide a "Solid Foundation For Life", as each student becomes a productive citizen and life-long learner.
